Hi Marisol,

The practice of bringing in alcohol is contrary to our licensing and enforcement provisions and should have been discontinued a very long time ago.

I need to start restoring order and consistency to the permissible and non-permissible activities at the events we license.

To that end, as a fair compromise, I will ONLY allow this on the next Event.

However, moving forward, we will condition EVERY event to prohibit outside alcohol from being brought in.

Unfortunately, Past practice in this area is not necessary a sound practice or sound public policy for our Dept as a whole - and is my biggest challenge at the LA Office - but it's imperative that we restore order and consistency to the process.

I hope you understand, Marisol.

Best regards,

Gerry Sanchez • CA Dept. of ABC

Hi Gerry,

Nice to e-meet you. I am sorry that I have not had the pleasure yet of meeting you in person, I worked closely with Will Salao. I also met and worked with Maggie during Will's paternity leave.

I was contacted by them and mentioned that they were told attendants to the screenings could no longer bring alcohol onto their private property. I would like to mention that Cinespia has been a great partner in working with the
